

# REPUBLICANS WIN IN SEVEN STATES

**Elect Their Tickets in Nebraska, Ohio, Iowa, Massachusetts, New Jersey, Colorado and Pennsylvania—Have a Strong Legislature to Name a Successor to United States Senator Hanna.**

In the elections throughout the United States yesterday it is evident from the returns that the issues were solely local and that while party lines were adhered to in many States electing Governors they were ignored in communities.

Ohio broke all records by giving Herrick, Republican nominee for Governor, a plurality of more than 125,000.

Pennsylvania rolled up the astonishing plurality of more than 225,000 for the Republican ticket.

Gov. Bates, Republican, was re-elected in Massachusetts by a plurality of more than 35,000, about 2,000 less than when he was elected before.

Nebraska went to the Republican column with a plurality of 10,000.

Maryland registered herself as still in the Democratic party, but the Republicans are crying fraud.

Colorado apparently has gone Republican by 5,000, although the Democrats have made a feeble claim for it.

Kentucky re-elected Beckham, Democrat, Governor by from 20,000 to 25,000 plurality, making strong gains in the city of Louisville.

Iowa has cut down Gov. Cummins's plurality of 83,000 two years ago to about 50,000 in his re-election. The whole Republican ticket was carried with him this time.

## OHIO GIVES LARGE REPUBLICAN VOTE.

COLUMBUS, O., Nov. 4.—Chairman Dick said this morning that the Republicans had elected Myron W. Herrick Governor by more than 125,000, the largest plurality ever given a gubernatorial candidate in this State. In 1900 President McKinley carried the State by 69,000, and in 1897, for Governor, had a plurality of 67,500.

With Herrick a strong Republican Legislature has been elected to name a successor to United States Senator Hanna.

Gov. Dick had estimated that the Legislature would have a Republican plurality of not less than sixty. That the Democrats had to express the Republican victory in the legislative elections as shown on the face of the returns.

The Democrats lost in every doubtful district.

With the loss of the Democratic legislative ticket in Cuyahoga, Lucas and Franklin counties it looks as though the Democrats would be but a minority in the next Senate, and only twenty-one in the House.

In Hamilton County, the centre of the Democratic opposition to Tom L. Johnson, the Democrats were organized against him, and the result was a Republican plurality of 7,000. In Lucas County, however, the Democrats seem to have been able to lead his followers to Johnson's support.

## BRYAN'S STATE GOES REPUBLICAN.

CORVALLIS, Nov. 4.—Returns indicate liberal fusion gains. These gains have reduced the Republican plurality, but the State is regarded as Republican by 1,000.

## REPUBLICANS WIN IN PENNSYLVANIA.

PHILADELPHIA, Nov. 4.—The Republicans have carried Pennsylvania by a majority of from 215,000 to 225,000, electing the entire State ticket as follows:

Treasurer, William L. Matney; Auditor General, William P. Snyder; Judges of the Superior Court, Thomas A. Morrison and John J. Hendricks.

The only interest manifested was in the case of William P. Snyder, the

off of some \$5,000 from the \$7,000 cast last year for John C. Chase, their candidate for Governor.

In addition to the falling off in the Socialist vote that party has probably failed to re-elect Representative James P. Carey, of Haverhill, for five terms a member of the Legislature from the Fifth Essex District. This will reduce the Socialist representation in that body to two members.

## MARYLAND SHOWS DEMOCRATIC GAINS.

BALTIMORE, Nov. 4.—Incomplete returns from the counties indicate Democratic gains. Kent went Democratic by about 100, Hartford by 20, Howard by 500 and Anne Arundel by 100.

The city is Democratic by about 4,000. This insures the election of Warfield, the Democratic candidate for Governor, and a Democratic Legislature.

The election of a Democratic Legislature means the selection of a Democratic successor to United States Senator Louis E. McComas. Attorney General Rayner will now have to make his fight in the Legislature against Governor Smith, who is backed by Senator Gorman and the party managers. Mr. Rayner has all but one of the city delegation pledged to him.

## RHODE ISLAND ELECTS DEMOCRATIC GOVERNOR.

PROVIDENCE, R. I., Nov. 4.—Indications point to the re-election of Governor Garvin (Dem.) by 5,000.

Apparently the Republicans carry only Woonsocket, but they increase their representation in the General Assembly.

The Republican State Central Committee claimed that later returns would overcome Garvin's lead at midnight over Col. Col.

Mayor Miller (Dem.) is re-elected in Providence, as are the Democratic candidates for Overseer of the Poor and Harbor Master.

Half the towns in the State show a Republican gain of only 27. Ten Providence districts indicate a Republican gain of 3,000. Quinn claims the election of the entire Democratic State ticket. The Assembly remain Republican in both branches.

## COLORADO CLAIMED BY REPUBLICANS.

DENVER, Nov. 4.—Chairman Fowler, of the Republican State Central Committee, claims the election of Campbell for Justice of the Supreme Court by 5,000. At Democratic headquarters it is claimed that Wilson (Dem.) will have a small plurality in the State.

## DEMOCRATS MAKE GAINS IN IOWA.

DES MOINES, Nov. 4.—Returns from Iowa are coming in slowly. Those received indicate a plurality for Cummins, Republican, for Governor of 50,000, against 52,000 two years ago. Returns from 100 precincts give Cummins 18,722; Sullivan 10,088. The same precincts in 1901 gave Cummins 18,900; Phillips 10,252.

The indications are that the Democrats have made a slight gain in the Legislature.

## FRISCO ELECTS UNION LABOR MAYOR

(Special to The Evening World.)

SAN FRANCISCO, Nov. 4.—Eugene E. Schmitz, Union labor leader, has been elected Mayor of San Francisco, up from 3,000 to 5,000 plurality over Henry S. Crocker, Republican.
